Excerpt from Harmony: Appendix Containing One Hundred Graduated Exercises

IN order that this little work may be of general utility, the author has carefully endeavoured to collect and explain clearly those facts universally accepted as the ground-work of Harmony, rather than bring forward any special opinions he himself may have formed. He therefore hopes that it will be found suitable as a preparatory textbook to any standard work on the same subject of a more advanced type? The system of naming Inter vals hitherto used in this Primer not having proved generally acceptable, in this and all future issues the nomenclature will be that commonly used in English Institutions and Examinations. As the art of Harmony cannot be learnt without a master, the author trusts he may be allowed to suggest that teachers will lessen their own labour and advance their pupils' progress by dividing each lesson into three. Portions; in the first, the master should read a chapter or part of a chapter with his pupil, explaining away difficulties and enlarging on those subjects which have been necessarily only treated concisely; in the second, the pupil should be assisted in preparing an.

About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com

This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
